# VirtualBox on FreeBSD

Motivating questions:

- ▶ Is it easy to use VirtualBox on FreeBSD?
- ▶ Does it have known problems?
- ▶ What's the status of the porting effort?
- ▶ What changed since ORACLE acquired Sun?

# FreeBSD as Home Theatre PC

What is it and why do I want that?

Requirements:

- ▶ FreeBSD 8.x
- ▶ USB DVB-S/C/T device
- ▶ multimedia/webcamd
- ▶ MythTV / VDR / XBMC

Motivating questions:

- ▶ How does it work?
- ▶ What's the status of the port?

# VDR - Video Disc Recorder

Motivating questions:

- ▶ What's the difference to MythTV?
- ▶ What's the status of the port?
- ▶ How can I help?

# XBMC - XBox Media Center

Motivating questions:

- ▶ How's that one different now?
- ▶ What's the status of the port?
- ▶ How can I help?

# Multimedia in General

- ▶ Do we make progress?
- ▶ What are the future plans?

More, more, more questions!
