Question: Who uses ***only*** FreeBSD?

Answer: nobody :)

Tutorials section

Well, nobody uses ***only*** FreeBSD.

People also uses PostgreSQL, Golang, Plasma, Gnome... ;)

Tutorials section

The idea is to extend the Documentation Portal and add tutorials.

FAQ Rewrite

The FAQ must be rewritten.

Why?

- Outdated
- Duplicities with the Handbook
- Weird sections like:

<https://docs.freebsd.org/en/books/faq/#x-and-moused>

<https://docs.freebsd.org/en/books/faq/#mount-dos>

FAQ Rewrite - Proposal

A FAQ rewrite index will be sent to Doceng and Core and then to community to work on
